- Today, January 4th is Perihelion Day for 2023 and on this day the Earth is at the point of orbit closest to the Sun! Not any warmer though 🧊
- Yesterday we welcomed back Ms. Dionne Hogan who is team teaching with Ms. Risa Venuto in the grade 2/3 class.
- In December we said goodbye to EA Ms. Keara and wished her well during her maternity leave. In her place, we welcome EA Ms. Shannon who will be with us at UES for the remainder of Ms. Keara's maternity leave.
- We continue to wait for the new playground to be prepped for the final completion stage. We are hopeful that students will be able to access the structure soon!
- We should be hearing from the District of Ucluelet shortly regarding our new parent pick-up/drop-off safe zone parking signs. These should help ease the morning and afternoon drop-off and pick-ups. Thank you to families for being so considerate of others during morning and afternoon times, this has been very helpful 😊
- UES is in the process of revamping our Mission Statement. Our next step is to gather a few interested students together to create a word cloud of what school is to them.
- PAC meetings: our next meeting is January 18th from 6-7pm. This is a great way to hear about UES and the great PAC initiatives.
