

Cell phone/Electronic Device Policy at ADSS

ADSS students are not permitted to have any electronic device/cell phone during class times.

- If a student brings one to class (expect most to have one), they are to be secured for the duration of the class, unless under the guidance of the classroom teacher.
- Cell phones must be put on airplane mode or do not disturb mode (Silent Mode is not acceptable) and stored in a secure location in the classroom or in a student backpack. Storing a phone in one's pocket is not acceptable. (Off & Away Policy)
- Students that do not comply will be issued a warning by the classroom teacher. Further violations will lead to the teacher requesting the cell phone be stored with them for the remainder of the class. Refusal to comply may lead to the administration requesting the cell phone for the day.
- Picture-taking must be forewarned; photographs are not to be taken in washrooms, change rooms, counselling offices, administrative offices.
- The school will not be responsible or liable for lost, stolen, or missing electronic devices.
- Students may use the phone in the office if they have urgent school-related business.
