

GRADE 12 PROGRAM:

ALBERNI DISTRICT SECONDARY, 2021-22

By the end of the grade 12 year, students will have completed 80 credits, including Career Life Connections. It is expected that all grade 12 students will be registered in 8 courses **plus** Career Life Connections, unless they have met with their Academic Advisor to discuss their individual program.

It is very important that students choose courses with a career path in mind, even if they plan to delay further education. Academic Advisors are available to complete grad checks and to advise students about post-secondary plans and course selection.
