Parent-Teacher Interviews are just around the corner. We will be booking interviews for the late afternoon/evening of October 12th and the afternoon of October 13th.

We try to have an evening and an afternoon for interviews so that parents with differing work schedules can have an equal opportunity to book interviews. If you attempt to book an interview and find that the teacher in question does not have an availability that will work for you, you are more than welcome to contact that teacher directly (email addresses are posted on the ADSS website) and request an alternative time/date to meet with them.

As you will see below, you can book interview times via the link provided. Interviews times are 10 minutes in length and are in-person.

Important Information

PARENT/ TEACHER INTERVIEWS **PARENT INSTRUCTIONS**

Go to the website and click on the "REGISTER" menu tab and create an account. Then login and add your students to the system.

After your students have been entered you will be able to schedule an appointment immediately by clicking the button beside each student's name and then selecting the teachers you would like to schedule appointments with. After selecting the teachers from the list, click the "View Calendars" button to see their calendars. Select an available time slot for each teacher, click it and then click the "Book Appointments" button to save your selections. Repeat this for each student.

Selections of the teacher's calendars that are blacked are not available for booking as the teacher has another commitment at that time. Sections of the calendars that are coloured burgundy are time slots that you as a parent are already booked for other appointments. You will only see burgundy sections when booking appointments for a second or third child.

When you are finished you can view your appointments from the "PROFILE" tab by selecting "View Appointments". You can also print your appointments from the view appointments screen.

Click the link below to book your appointment.
