School District 70 Pacific Rim

K-12 Education Restart Plan: Stage 2

Health & Safety

Cleaning and Disinfecting

- -revised cleaning and sanitization protocols are set
- -a plan for additional cleaning of touch points twice within a 24-hour period has been developed
- -district has purchased sanitizing sprayers to be used on buses, sick rooms and other locations used by test-positive students and staff

Physical Distancing

- -new directional signage and markings
- -bus capacity reduced to two students per seat

Hand Hygiene

- - additional sanitizing stations have been ordered

PPE

- -face protection - including face shields, reusable masks and disposable masks - will be distributed to employees and students as requested, required and/or appropriate
- -disposable masks will be available in the event of illness or where students have misplaced masks

Symptom Assessment

- -clear messaging to students, staff and parents regarding protocols

Ventilation Systems

- -consideration is being given to operating air handlers at a higher rate and/or for longer hours as required
- -classroom and bus windows opened when appropriate

Student Transportation

     -reduced bus capacity

     -electronic bus pass/registration system Introduced

District Occupational Health and Safety Committee resumes August 27 and school-based Health and Safety Committees will meet prior to September 8th to review and organize required health and safety training requirements.

AII employees - including casual employees - will be provided with and expected to review revised health and safety protocols prior to the resumption of school September 8th. In-person training and orientation will then take place during time set aside for employees on September 8/9.

Upon their first visit to a worksite, employees assigned to multiple sites and (casual employees will receive an orientation to any site-specific protocols.

New employees will be oriented to District Health and Safety protocols as they are hired .
